

The Leopard Link

Principal's Corner

Hello Lead Mine Leaders and Learners!

Thank you to each and every one of you who have worked to allow our community to GROW EVERY CHILD!

It has been some of the most amazing work to serve our Lead Mine staff and community as we work to see each of our leopards grow to meet their fullest potential.

The best part of my days are the days that are filled with children, smiles, high fives, and the demonstration throughout our building that #otherpeoplematter. Each of you has had a moment throughout this year that has made me smile and for that, THANK YOU!

The 2017-2018 school year has been a fun filled school year that has shown what great leaders and learners our school holds. From the participation in clubs, to the amazing efforts of our Leopard Leaders who have been helping to grow our community and one another.

In our classrooms we have been witness to how much everyone has grown through the Positivity Project. Our P2 assemblies have been so amazing to watch as staff and students have worked to recognize each one of you and how you have worked to improve relationships throughout the building.

As we come to the close of one school year, it is important to look back and remember what has made up the most exciting and memorable moments of the past year....the people. Remember in life that no matter what else is happening that it will almost always be the people and the relationships that we remember the most.

Before you let the year, the week, or even the day go by, take the time to thank those around you who make you smile through this incredible journey.

Wishing you all the best,

Mr. Marcin

Calendar of Events

- 5/29-6/4
EOG TESTING

Spots of Thanks go to...

...Tara Pleasant, our fearless PTA leader who has dedicated SO MUCH of her time to making our school a better place for all of us!
...Casey Little and Rachel Bass for organizing the kindergartener's lunch. They had an amazing turn-out!

Exciting news! Our PTA is once again offering inexpensive school supply kits for next school year. Although it may seem a little early to be ordering school supplies for next year – especially when this year is just ending – you may want to consider this option for several reasons:

- **Great prices!** This is NOT a fundraiser.
- **Convenient!** Kits are individually packaged and labeled with each student's name and grade.
- **Saves time!** Kits will be available at school at Meet the Teacher or the first day of classes.
- **Guaranteed!** The kits are offered by Edukits, who have been in business since 1993 (This is NOT the company we used last year).
- **Easy ordering!** Orders can be made on the order form or online.

Look for the order forms in today's Tuesday folder!!!

5th Grade Recognition Ceremony

Hello LME parents!
We need your help making the 5th graders shine at their Recognition Ceremony on June 8th! Please consider volunteering to give them their moment of glory after six years of hard work!
Thanks so much!
